

Corporate Audio Equipment Hire

We have two new Audio Visual items for hire that are not included in any room hire or corporate packages. Hiring direct from us will save you (delivery costs and set-up fees) and you will have the confidence of knowing that your production is in good hands.

Video / Data Projector – for your slide presentation

Sub Woofer Speakers – to add to your slide show presentation, or in-house music requirements.

Slide show / DVD presentations Projector Package.....\$120

- 6ft Pull down projector screen
- Video data projector
- Projector table
- Sub woofer speaker system

- Choose either our DVD Player which is mp3 & mpeg compatible or you provide your own laptop

All of our equipment will pre installed on the day ready for your presentation.

CAUTION: The projector is to be operated by Sunset Blue Staff only and you may be liable for any damage to the device or bulb caused by unauthorised use, (for example the device must not be turned off or unplugged without the proper warm down process). The projector bulb is valued at approx \$500 for replacement.

Presentation Amplification Speakers.....\$90

- Sub woofer speaker system
- Microphone
- Leads to connect your iPod or laptop for your laptop or presentation music
All of our equipment will pre installed on the day ready for your presentation.

- These speakers are ideal to enhance any audio output from your presentation. If you are providing your own projector and you have audio needs then this is the option for you!
(Data projectors do not provide amplification of audio)

Wireless Microphone & Lapel Mic.....\$70

- Wireless receiver to enable 2 wireless microphones in the room
- Wireless Microphone
- Lapel microphone & belt pack *(supplied only on request)*
All of our equipment will pre installed on the day ready for your presentation.

- This wireless receiver will hook into our in-house audio system and your voice will be projected through our ceiling mounted speakers. It can also be used simultaneously with our current podium (fixed) microphone.
